

A diagram of a DL Landscape Half Fold card. It is a horizontal rectangle divided into two equal halves by a vertical dashed purple line. The left half is labeled 'Back' and the right half is labeled 'Front'. A thick grey dashed border surrounds the entire card, representing the bleed area. The text 'DL Landscape Half Fold' and its dimensions are located in the top right of the 'Front' section. Three legend items are also in the 'Front' section: 'Bleed Area' with a blue circle, 'Cut Line' with a black line, and 'Safe Zone' with a grey circle.

Finished Size: 420mm x 99mm

**Bleed Area**

You will need to extend your design to fill the bleed area. This area will be trimmed to make sure you don't have any unwanted white lines.

**Cut Line**

This is where we aim to cut your design to the finished size. Any part of your design placed outside this area will be cut off.

**Safe Zone**

The safe zone is 3mm inside of the cut line. Make sure all important elements and text are kept within this area.
